If the Board directs the licence holder to rectify a matter in a non-compliance warning and the licence holder fails to comply with the direction within the time allowed for compliance, the Board may, subject to the provisions of this Regulation, revoke the licence or suspend it for such period of time and on such conditions for reinstatement as the Board deems appropriate.

SHOW CAUSE PROCEDURES

120. Before amending, suspending, withdrawing or revoking a licence, the Board must give the licence holder a written notice (a “show cause notice”) that:
- a. states the action (the “proposed action”) the Board proposes taking;
 - b. states the grounds for the proposed action;
 - c. outlines the facts and circumstances forming the basis for the grounds;
 - d. if the proposed action is suspension, states the proposed suspension period; and
 - e. permits the affected person or persons to show within a stated period (the “show cause period”) why the proposed action should not be taken.
121. The show cause period will be established by the Board and will be specified in the show cause notice.
122. The Board will determine the length of the show cause period which must, in no event, be less than thirty (30) days or longer than ninety (90) days from the date on which it is issued.
123. The Board must promptly serve a copy of the show cause notice on each person (an “interested person”) the Board believes has an interest in the licence, if the Board considers:
- a. the person’s interest may be affected adversely by the amendment, suspension or cancellation of the licence; and
 - b. it is otherwise appropriate in the circumstances to give copy of the notice to the person.
124. A person upon whom a copy of the show cause notice is served may, within the show cause period, make written representations about the matters raised in the notice to the Board.
125. The Board will consider all written representations (the “accepted representations”) made during the show cause period by:
- a. the affected licence holder; or
 - b. any interested person upon whom a copy of the show cause

notice is served.

126. Notwithstanding any other provision of this Regulation, the Board may amend, suspend, withdraw or revoke a licence immediately and without the necessity of a show cause period, if the Board believes:
 - a. a sufficient ground exists to amend, suspend or revoke the licence; and
 - b. the circumstances are so extraordinary that it is imperative to amend, suspend or revoke the licence immediately to ensure:
 - i. the public interest is not affected in an adverse and material way; or
 - ii. the integrity of the licence holder's operations is not jeopardized in a material way.
127. An immediate amendment, suspension or revocation:
 - a. must be affected by written notice served on the licence holder (the "notice or immediate amendment, suspension or revocation"), and any interested person;
 - b. is effective from the moment the notice is served;
 - c. continues in effect until a hearing date or until the Board otherwise directs; and
 - d. will specify a show cause period.
128. Notwithstanding any other provision of this Regulation, a licence holder may voluntarily suspend or terminate their own licence by giving at least thirty (30) days written prior notice to the Board.
129. A voluntary suspension of a licence:
 - a. is not effective unless accepted in writing by the Board;
 - b. does not suspend, interrupt or negate the requirement to pay annual licensing fees for that licence; and
 - c. unless the Board otherwise directs, does not relieve the licence holder from any other obligations under the Law or this Regulation.
130. In the event a licence is revoked by the Board or voluntarily terminated by the licence holder, the licence holder must not remove any assets or equipment from the Territory until it has:
 - a. satisfied all of its obligations to the Board, including the payment of fees;
 - b. provided evidence, satisfactory to the Board, that the licence holder has satisfied its obligations to the Board's Approved

Agents.

131. When the requirements of section 130 have been fulfilled, the Board will provide the licence holder with written notice confirming the licence holder may remove its assets and equipment from the Territory.

SHOW CAUSE HEARINGS

132. A licence holder who has received a show cause notice or notice of immediate amendment, suspension or revocation, may, within the show cause period, request a hearing before the Board to respond to the matters raised in the show cause notice.
133. Upon receiving a request for a hearing, the Board will set a time and place for the hearing and will immediately notify the licence holder in writing (the "hearing notice") of time and place of the hearing.
134. At the hearing, the licence holder will have the opportunity to bring written and oral evidence to respond to the matters raised in the show cause notice.
135. The Board may issue additional rules to govern the procedures to be followed at a hearing, in lieu of which, proceedings will follow accepted rules of fairness and natural justice.
136. In the event the affected licence holder fails or refuses to attend a hearing at the time and place set out in the hearing notice, the Board may, in its sole discretion, take one or more of the following actions:
 - a. adjourn the hearing to another time and place;
 - b. confirm and continue the amendment, suspension or revocation;
 - c. impose a fine on the affected licence holder of not less than One Thousand (\$1,000.00) Dollars and not more than One Hundred Thousand (\$100,000.00) Dollars;
 - d. issue such other directives as the Board deems necessary.
137. If, after considering the accepted representations, or in the case of a hearing, the evidence adduced before it, if any, the Board finds that:
 - a. a ground or grounds exist to amend, suspend or revoke the licence; or
 - b. the act, omission or other matter constituting the ground is of a serious and fundamental nature and either:
 - i. the integrity of the licence holder's operations may

be compromised in a material way;

- ii. the public interest may be affected in an adverse or material way; or
- iii. the credibility or reputation of the Board, the Territory of any person or entity within the Territory is, or may be, negatively affected;

the Board may amend or revoke the licence or suspend the licence for such period of time and on such conditions of re-instatement as the Board deems appropriate.

138. The Board must promptly serve written notice of the decision to amend, suspend or revoke a licence, with reasons for the decision, on the affected licence holder.
139. The Board will publish a notice on its website and in local media advising the Community of Kahnawà:ke of a decision to amend, suspend or revoke a licence, with a summary of the reasons for the decision.
140. A decision to amend, suspend or revoke a licence takes effect on the date and time specified by the Board.
141. If a licence is under suspension, the Board may, at the request of the licence holder, reconsider the duration of the suspension and will promptly inform the affected licence holder in writing of its decision.

142. Upon receipt of a completed application in the approved form, the Board may appoint one or more Approved Agents, to assist and advise the Board and to carry out any of the following functions, for and on behalf of the Board:
 - a. to investigate whether any person applying for or holding a licence is a suitable person for the purposes of this Regulation and submit a report of its findings to the Board;
 - b. to conduct a review of the physical and computer security systems used, or proposed to be used, by an applicant or licence holder, and make such recommendations to the Board for any modifications that may be appropriate;
 - c. to conduct inspections and certifications of facilities, equipment and materials;
 - d. to advise on the appropriate manner for the storing and handling of cannabis;
 - e. to conduct reviews of an applicant or licence holder's operations and submit a report of its findings to the Board; and
